The meeting for SEBNA was held on September 17, 2018 at 6:00 at the Country Club Fire Station. Board members in attendance were Bill Galaway, Kathleen Martin, Courtney Ross Underhill, Thayne Edwards, and Judy McLeary.

Bill discussed the new positions that are needed on the Board.

Land Use Chair-Receives information on new developments in South East Bend. Can comment on any development before decisions are made about building. Can argue about anything outside of the code. The code is established and may have to wait for it to be changed by authorities.

NLA, the Neighborhood Alliance Committee, which is being developed by the City of Bend. Courtney is interested in becoming a member of this committee representing South East Bend. Bill will be leaving and he will be helpful in having her be on the committee to take his place. Courtney will attend the NLA meeting on October 4, 2018

Three people have responded to our Email about the new positions available on the Board. We will invite them to our next Board meeting.

"The Elbow" in the UGB will be the next Land Use development that South East Bend Association will be involved with in the future.

Kathleen may take over the Email account if Courtney takes over NLA and maybe Land Use Chair. The City will be establishing the Budget in January 2019 and the NLA hopes to convince the City to increase the Neighborhood budgets so the associations can have two meetings a year instead of one as it is now.

Kathleen will be on the Transportation Committee discussing the future Parkway changes. She will be taking a survey sent out by the City.

The next meeting of the Board will be Wednesday, October 10, 2018 at 6:00 at the Country Club Fire Station.
